

## Fill Me (Let My Cup Overflow)

V1

D E F#m  
Your love shines, through space and time  
D E F#m  
And pierces through, the window to  
E Bm F#m  
The inner part of me, where deep cries out to deep  
E Bm E  
Where mortal soul and heaven meet

Chorus

A E  
Fill me, let my cup overflow  
F#m D E  
Fill me, more than this life has known  
A E  
Fill me, the cry of my heart and soul  
Bm D E A  
Fill me, let my cup overflow

V2

Come like clouds, upon the wind  
And fall like rain, on barren plains  
And let my life awake to you like flowers in spring  
My heart and soul forever sing

Bridge

D E F#m  
Come now Holy Spirit  
D E F#m  
Come now Holy Spirit  
D E F#m D E  
Come now Holy Spirit
